SPECIAL REQUEST

Correction to Construction Ending Date on Approved Contract

1. RTA #20161637 – Market Street Shreveport, LLC, 509 Market Street, Shreveport

This contract was approved by the Board on October 25, 2017 with an estimated construction ending date of October 15, 2017. The correct estimated construction ending date is October 15, 2018. The company recognized their error after the contract was fully executed and notified LED staff to request a correction.

The original estimated dates were part of the application presented to the Board for consideration of contract approval. Changing the date requires a modification to Article V in the contract which states, "Contractee states the said project was to be completed on October 15, 2017..." A change in the approved contract terms must be approved by the Board.

With Board approval, the contract will be reissued with a revised estimated construction ending date of October 15, 2018.
