The state of the current building is that of an old, unmaintained, low end bar that had been in operation for at least 10 years. The bar/building owner did not take care of the building and as a result, the building needs to be completely renovated on the inside and also much work needs to be done to the outside as well. The outside will be repainted and windows will be added to make the building more attractive and also to allow more natural light into the building. We are also considering adding a porch (may be added in later phase of development).
