Restoration Tax Abatement Program

SPECIAL REQUEST to Rescind Board Approval of Application

RTA Application #20140791 4141 Bienville, LLC was approved by the Board of Commerce & Industry on April 26, 2017. The local governing authority issued a resolution disapproving the application which does not allow Board action, however, it was mistakenly presented to the Board for approval.

As required by statute, LED must receive a resolution from the local governing authority approving participation in the Restoration Tax Abatement program before the Board can vote to approve an application.

Requested Action: Rescind Board approval.

INDUSTRIAL TAX EXEMPTION PROGRAM

C & I Board Meeting
June 28, 2017

SPECIAL REQUESTS:

At the December 20, 2016 meeting, the C&I Board requested that the following companies obtain approval from the local authorities prior to the Board's approval of a continuation of their tax exemption contracts. At the April 26, 2017 meeting, the C&I Board granted an extension to Halliburton Energy Services Inc. to obtain the approval from the local authorities.

Halliburton Energy Services Inc. – Contract(s): 20100024 & 20100024A (Bossier Parish)

A continuation of ITE contract for Halliburton Energy Services Inc. in Bossier Parish was approved at the December 8, 2015 meeting of the C&I Board with the requirement that an annual update be submitted and that the continuance would have to be approved by the board each year. The company indicates that the facility remains idled. They have no intention of permanently closing this manufacturing facility. This is a temporary situation as the site is being maintained and will return to operations when market conditions improve. They have requested that the ITE contracts be maintained for an additional year.

Halliburton Energy Services Inc. – Contract(s): 20080133 & 20080781 (Plaquemines Parish)

A continuation of ITE contract for Halliburton Energy Services Inc. in Plaquemines Parish was approved at the March 22, 2016 meeting of the C&I Board with the requirement that an annual update be submitted and that the continuance would have to be approved by the board each year. The company indicates that the facility remains idled. They have no intention of permanently closing this manufacturing facility. This is a temporary situation as the site is being maintained and will return to operations when market conditions improve. They have requested that the ITE contracts be maintained for an additional year.
